

MARCH 2023

PENSION:

If you are retiring, follow these steps:

Notify the Pension Fund three months before your retirement date, which is always the 1st of the month. So, if you want to retire 3/1/2023, let us know by December 1, 2022.

You will be mailed an application, once you receive, complete, and return the application.

Then, you will get mailed your Election Forms from Ekon Benefits, this is where you select what monthly option/amount you want to receive, these forms get returned to the Pension Fund so you can start receiving your direct deposit/check on the first of the month.

You can request an Estimate prior to retiring, just call Kelly in the Benefit Office at Local 101 and she will have Ekon Benefits mail you your ESTIMATED Election forms, which show you all options and amounts available for your retirement.

Normal Age of Retirement is age 62 for active/vested participants.
